# Welcome to Eastham

In his book, "The Outermost House", Henry Beston described his feelings about our town when he wrote: "Outermost cliff and solitary dune, the plane of the ocean and the far bright rims of the world; meadow land, and marsh, and ancient moor; this is Eastham; this is the Outer Cape". So you too can stand on the "solitary dune", and gaze across to "the far bright rims of the world". Those of us who call Eastham our home, welcome you, our visitors, and hope that you too can enjoy Eastham as we do and as Henry Beston did.

For your information about Eastham. It was settled by a handful of people from Plymouth in 1644 and incorporated in 1651. At this time Eastham included the areas now covered by the present towns of Orleans, Brewster, Harwich, parts of Chatham and Wellfleet. From the solitary dunes on the ocean side to the flat bayside . . . a distance of three miles across . . . it covers an area of a little more than 14 miles. It has a population of 3,466 by the 1980 U.S. census count, and like all towns on the Cape it has a town meeting form of government, with elected Selectmen (three) at the helm. The Fiscal 1981 tax rate was set at \$15.90 per thousand; a grand list of \$177,292,520 total assessment, which produced in revenue to the town, a total of \$2,818,951.00.

# EASTHAM . . .

Gateway to the National Seashore is BEAUTIFUL any time but especially so OFF SEASON. May and June, again in September and October — Yes, come to EASTHAM before or after the crowds.

See nature in all its beauty — travel the highways and byways when there is room to breathe.

Yes, — for the birders, for the bicyclists, the photographers, the nature lovers — that is the time to come to EASTHAM. For the golfers, the courses are not crowded, for the tennis players, they can play without waiting hours for a court. And best of all, in most places OFF SEASON RATES prevail.

## Beach Plum Cordial

1 quart ripe beach plums  
2½ cups of sugar  
1 qt. of 100 proof vodka

Put all in gallon jug. Shake well every morning and night for two weeks. Put away for two months and then strain and bottle.

Sent in by Bart Mancini

## Beach Plum Brandy (By Sheila)

2 cups whole beach plums  
2 cups sugar  
4-fifths quart brandy

Sterilize a large jar with a tight fitting cover. Place the beach plums in the jar, add the sugar and let the combination stand overnight.

Add the brandy. (The beach plums will mellow the rough taste of an inexpensive brandy, but you can use fine cognac for a superb result.) Cover the jar tightly. Let the mixture stand for at least two weeks at room temperature. Open the jar and stir the contents daily. Strain the brandy through cheesecloth, wringing the fruit in the cloth to obtain the maximum amount of brandy.

Filter the brandy about two cups at a time, through coffee filter paper supported in a cone or funnel and placed over a clean jar. If the paper becomes clogged, transfer the contents to a clean filter paper. The filtering process may take as long as eight hours; if the brandy is not perfectly clear, filter it again.

Store in a tightly covered bottle. Makes about one quart.

Another Wonderful Day!

## SALT POND, EASTHAM, 1981

It looks as though it might be a bridge across the pond. Or perhaps it's a seagull rookery or feeding station for migrating birds. Actually, it isn't any of those, but rather a hopeful effort to produce more shellfish in Eastham. What we are referring to is the string of floats, rafts and what-have-you that lies in Salt Pond.

Hanging below the styrofoam floats that you see from the shore are trays containing a variety of shellfish ranging from oysters to blue mussels, quahogs (hard shell clams), scallops and steamers (soft shell clams). They all have one thing in common — they are all babies, growing as fast as they can in our "nursery". The reason that they are there is because the growing conditions in Salt Pond, things like food, salinity, temperature, shelter from storms, are near perfect for them and they take full advantage of the season.

Most of the rafts contain young quahogs. In the spring, they are delivered to the pond from a hatchery when they are about as big as a pea, age four months. Up to one hundred thousand are given a home in sandboxes hanging from the rafts. By the following spring they are over an inch in length and ready to be transplanted to the rest of the marsh. In a short time they will reach a legal size of two inches and be ready for your table.

And so it is with the other beasts living under the rafts. Some are brought to us from hatcheries, others are bestowed on us by Mother Nature. The nursery protects from predators the young in the early stages of their life when they are most vulnerable, and provides us with one more step toward the future of our shellfish resources.

For you to take advantage of today's resources, first stop at the Town Hall and purchase a shellfish license. Then fetch your scratcher, pail and family helpers and dig up some supper. Salt Pond is open on Sundays only as listed in the schedule below. The rest of the town is open all the time except as posted. You'll be glad you did.

In spite of the growing price of shellfish seed, Eastham has managed to keep their license fees at a minimum: for non-commercial shellfishermen: \$4 for a taxpayer; \$6 for a family renting

in Eastham; and for non-resident, non-renting visitors \$10. These fees are for an entire family and permit the taking of one level 10-quart pail of any and all kinds of shellfish per week all year. (Excepting scallops, for which special regulations are written each year.)

Non-commercial shellfish on Sundays only. Sundays not listed here the Salt Pond is open for non-commercial shellfishing all day.

Areas in Salt Pond open only as posted at Town Landing. All other areas in Eastham open at all times between sunrise and sunset unless otherwise posted. All sedge grass areas closed to all shellfishing.

Times listed here Daylight Savings Time.

Limit: one LEVEL 10-quart pail per family per week.

## THE EASTHAM HISTORICAL SOCIETY

Eastham was founded in 1844 by settlers from the parent Pilgrim community at Plymouth and was originally named Nauset. It is an old and historic town, witness to many events and changes over the years since, and in order to preserve important artifacts and mementoes of the town's long existence the Eastham Historical Society was formed.

The Society has brought together important collections, which it houses in two venerable structures, the Schoolhouse Museum and the Swift-Daley House. Both are open to the public during the summer, and visitors are invited to visit them.

The Swift-Daley House (opposite page) is on Route 6, next to the Eastham post office. It was built in 1741; its bowed roof is typical of early houses built by men who were also skilled ship's carpenters, and its wide floor boards, panelling, deep fireplace, and other features date back to an earlier time. The house is completely furnished, with furniture and other objects ranging from Colonial to Victorian. It is open Wednesdays and Fridays during July and August, 2:00 to 5:00 p.m. and by appointment (call 255-3380).

The Schoolhouse Museum, directly across from the National Seashore Visitors' Center, was Eastham's only elementary school from 1869 to less than twenty years ago. The building had been abandoned and was sinking into decrepitude when it was rescued by the Eastham Historical Society, restored, and made into a museum. It contains mementoes not only of its days as a schoolhouse but also objects ranging from Indian artifacts and old farming and household implements to reminders that Eastham is very much an Atlantic coastal town whose shores have seen many shipwrecks. The Schoolhouse Museum is open Monday through Friday, 2:00 to 5:00 p.m., during July and August.

Admission to the Swift-Daley House is \$1.00; to the Schoolhouse Museum \$.50. Children under 12 admitted free.

The Society welcomes new members; dues are only \$2.00 yearly.

## WINDMILL WEEKEND

Each fall, the citizens of Eastham in the spirit of the family, and friendship, celebrate Windmill Weekend.

Our 300 year old windmill is the setting for townspeople and visitors to reminisce to the days when community spirit and neighborliness were necessary traits for a community to survive and to thrive. Today these characteristics are still required and we welcome anyone visiting with us at that time to join in our town celebration.

The focus is family fun, and the varied events are organized to appeal to the entire family. Last year's events included a 2.8 and 5.6 mile road race, children's games, kite flying, family volleyball, a demonstration of The Jaws of Life and a square dance on the windmill green, on Saturday. Sunday began with children's games, a large parade, a band concert by the Community of Jesus, superstar competition, and a cook-out with entertainment by Fred Trahan's Roaring Twenties band, The Festival Singers, and a professional jazz band.

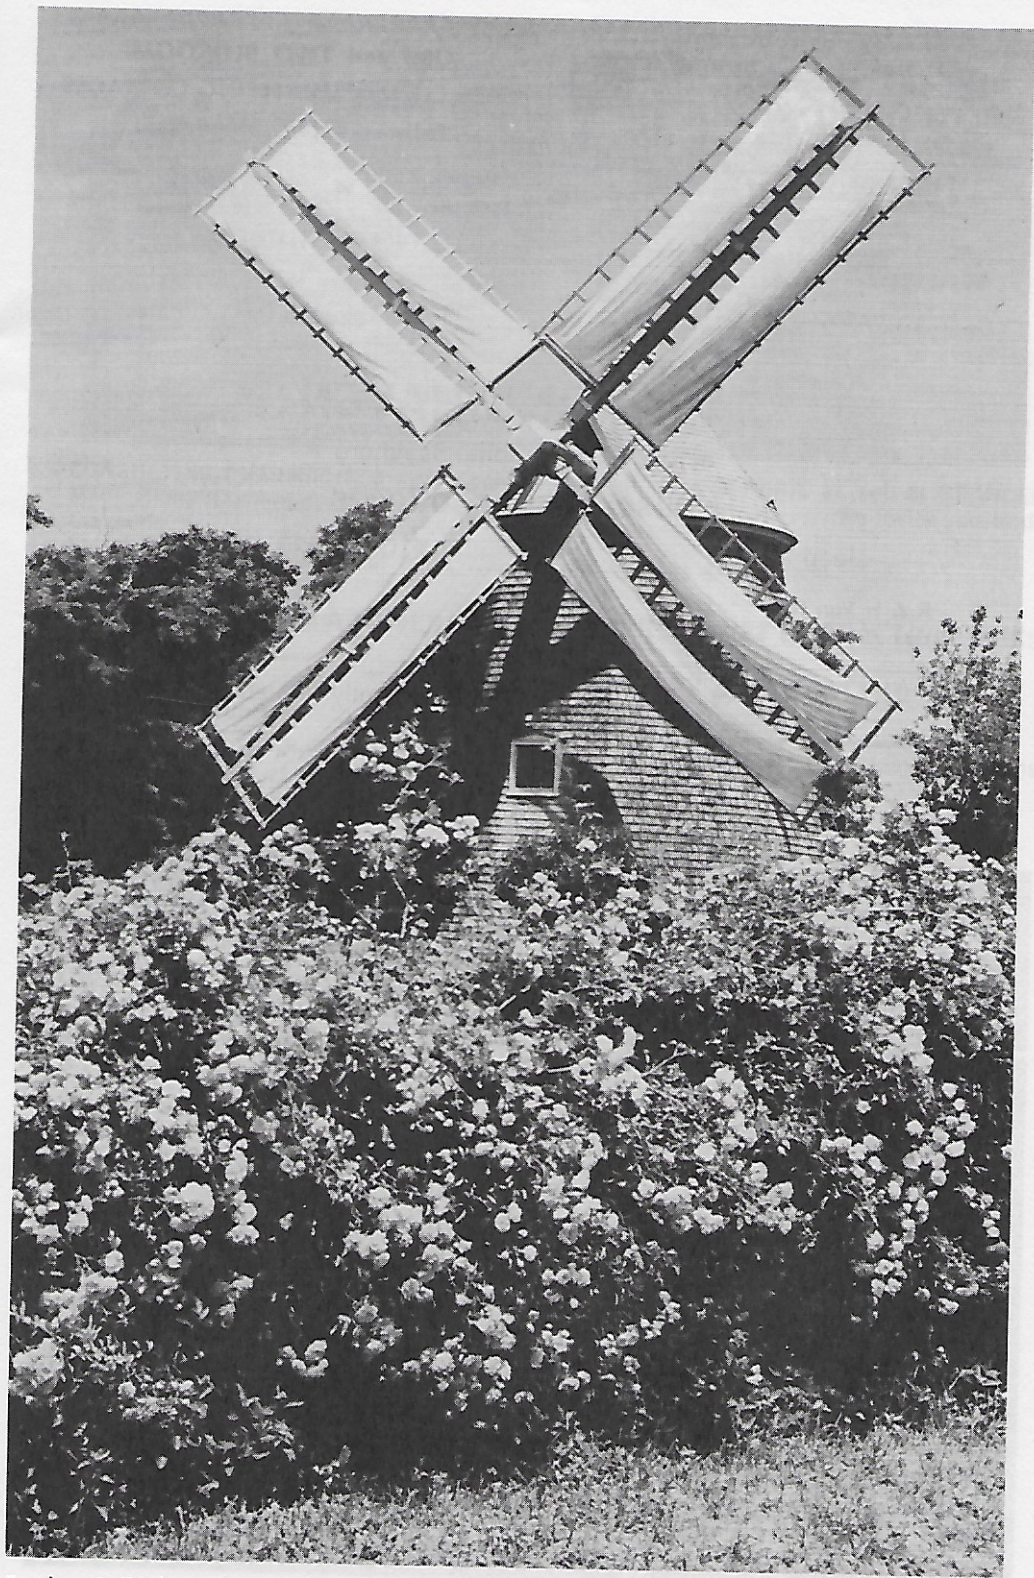

The entire week-end was dedicated to a town father, Bernard Collins Sr., for his many contributions to Eastham. Mr. Collins was also presented with a silver plaque commemorating his receiving Eastham's Windmill Weekend Award.

Be sure to visit our historic windmill, see how the early settlers processed grains, and corn and other staples, and learn some history from our town millers Jim Ownes and Clyde Eagles.

### EASTHAM WEATHER

(as compiled by Cape Cod Chamber of Comm.)

We in Eastham are fortunate regarding our weather. Situated between the Atlantic Ocean and Cape Cod Bay, the stabilizing effect of both bodies of water tend to keep Eastham cooler in the summer and warmer in the winter than the mainland, or for that matter most of the Upper Cape.

## ''RECIPES FROM EASTHAM KITCHENS''

### CLAM CHOWDER

(By Carole)

1 qt. clams after removing  
from shells  
Juice from clams  
3 cups pared & diced potatoes  
1 onion

3 tbs. butter  
3 cups scalded milk  
1 slice fat salt pork  
Salt & pepper to taste

Pour 2 cups cold water over the clams to cleanse, and strain the water through a very fine sieve or cloth. Chop hard portion of clams. Cut pork into bits and try out. Add chopped onion and cook until yellow. Add water and strained clam juice and when boiling add potatoes. Cook 10 minutes, then add chopped clams and cook until the potatoes are tender. Then add soft part of clams and cook about 5 minutes more. When ready to serve, add the butter, salt and pepper and milk.

-----

### HOW TO BOIL A LOBSTER

Put enough sea water in a kettle to measure 3 inches; then bring to a furious boil and plunge lobster in, head down. Boil for 15 to 20 minutes or half an hour, according to the size lobster. The larger the lobster, the longer the cooking.

-----

### BAKED STRIPED BASS

Clean and scale fish. Sprinkle lightly with salt. Stuff with dressing and tie securely. Dot with butter and cover with thin slices of salt pork. Bake 10 to 15 minutes in hot oven, reduce heat and bake 30 to 40 minutes longer, depending on size of fish. Baste frequently, adding a little water if needed.

#### DRESSING

1 tbs. chopped onion  
1 tbs. chopped celery  
browned lightly in butter

Add to 2 cups bread crumbs

Moisten with little milk, season with salt and pepper. Herbs may be added.

-----

### CAPE COD FISH CHOWDER

(By Susanne)

3 lbs. fresh or frozen pollock, hake,  
or whiting fillets  
1/4 lb. salt pork  
3 large yellow onions, sliced thin  
4 cups thinly sliced raw potatoes

4 cups boiling water  
4 cups milk  
Salt and pepper to taste  
Common crackers or pilot crackers

Defrost fillets, if frozen. Cut in 2-inch pieces. Dice salt pork; fry slowly in heavy kettle or Dutch oven until golden brown and crisp. Remove pork; save. Cook onions in pork fat in kettle until soft but not brown. Add potatoes and boiling water. Cook until potatoes are almost tender. Add fish; cook about 15 minutes longer, or until fish flakes easily with a fork. (At this point chowder may be refrigerated overnight if desired — flavor is enhanced by the next day). Add milk; season to taste with salt and pepper; heat to serving temperature but do not allow to boil. Garnish with cooked, diced salt pork. Float split common crackers on each serving or crumble pilot crackers on top. Makes 8 servings.

## CHURCH SERVICES

(More than three hundred years—in 1672 to be exact—Samuel Treat became the town's first minister, and thundered his message of hell-fire and damnation. As a historian of the times declared: "his voice was so loud when speaking it could be heard at a great distance from the meeting house, even in the midst of the winds that blew over the plains of Nauset".)

Perhaps not in the thunderous tones of Mr. Treat, yet the church leaders of the present preach their religious philosophies with the same zeal. The following churches are within easy travelling distances:

**Grace Chapel Assembly of God**—services held at the Eastham Town Hall. Sunday: 9:45—Sunday School; 11:00—Morning Worship; 7:30—Evangelistic Service. Pastor, Rev. Ralph D. Bellows. Parsonage phone: 349-3428.

**Roman Catholic**—at Bridge Road. Winter schedule; Saturday Vigil 5:30 p.m. Sundays 8-10-11 a.m.; Daily mass at 8 a.m.: Novena on Wed. Summer schedule: (all masses in Hall). Saturday Vigil 5 and 7 p.m.; Sundays 8-9-10-11 a.m.

## Those Great "Do-Nothing-Days"

Under the watchful eyes of the lifeguards (in white helmets) swimmers challenge the surf at Coast Guard Beach, one of the favorite swimming areas in the National Seashore.

## Eastham Visitor's Activity Index

**AREA ORIENTATION:** Soon after you arrive, check in at the Eastham Town Hall on Rt. Six in the center of town. Here information is available about fishing licenses, beach parking permits, fire permits for beach cookouts, boat mooring permits at the Eastham Marina at Rock Harbor. Get acquainted with town officials, including the police and fire departments. Leave your name and address so that you can be reached in an emergency.

On Rt. Six, going towards Orleans is the town operated Information Booth, staffed with qualified personnel who can help with information about available cottage space, where to eat, location of gift shops, etc.

The Visitor Center of the National Seashore Park is a must and is located just off Rt. Six a few hundred yards north of the Town Hall.

### SWIMMING, SURFING AND SUN BATHING (for those great "do-nothing" days)

Eastham is rich in sources for such activities . . . the ocean, the bay and the fresh water ponds. Those who prefer surfing and the robust challenge of the sea with its colder water, can enjoy the Coast Guard and the Nauset Light beaches, both within the jurisdiction of the National Seashore with its life guards and bath-houses. Each beach has a "surfing" section reserved. For warmer water and family type beach activities, the five bay beaches offer safe bathing and where you can walk out several hundred feet without getting your head wet. First Encounter and Cook's Brook beaches have restroom facilities. Parking stickers can be obtained at the Town Hall. Fresh water bathing can be enjoyed at several town ponds, featured by Wiley Park on Great Pond, off Herring Brook Road (see map) where a bathhouse and Picnic Area are located. Swimming and Life Saving classes under competent instructors are also held here. (Check story on Rec. Activities) Herring Pond, off the road by the same name, is also a popular spot.

### FISHING AND OTHER SPORTS FACILITIES:

Tennis courts are available on a first come first served basis at the Eastham Elementary school

grounds on Schoolhouse Road, and at the Nauset Regional High School grounds off Cable Road, North Eastham, and at the town courts in Orleans, near Eldridge Park. A teen age recreational program under trained leadership is held daily at the Nauset High grounds. (Check schedule of Recreational Activities program.)

The area abounds in golf courses, both public and private. Check the Yellow Pages for details. Some of the nearby courses . . . with a few miles radius are: Brewster, Bass River, Dennis Pines, Harwich Municipal, Blue Rock in South Yarmouth, Harwich Port Country Club, Highland Golf Course in Truro, Eastward Ho in Chatham.

**Surf casting** and fresh water fishing abounds in the area, and charter fishing boats leave daily from Rock Harbor, Provincetown and Wellfleet . . . all within a few minutes ride from Eastham. On Sundays, those with licenses can dig for quahogs (see Sunday schedules on page 6) and the Nauset Marsh, Town Cove or the Bay Side can be explored for shellfish at low tide.

The **Nauset Rod and Gun Club** of North Eastham has facilities for those interested in rifle, or skeet shooting.

Eastham hosts an active **Little League Baseball** program centered around the attractive field behind the Town Hall. Cape Cod's famous NCAA sponsored Baseball League featuring outstanding college players is represented locally by the Orleans Cardinals, and large crowds watch exciting baseball games, evenings, at Eldridge Park, in Orleans.

**Ice skating** enthusiasts will find excellent facilities at the Rees Rink off Eldridge Parkway in Orleans, or at the Cape Cod Coliseum off Route Six in So. Yarmouth.

**Summer theatre** is here all summer . . . try the Dennis Playhouse, the Monomoy Theatre in Chatham, The Arena Theatre in Orleans, and the Cape Cod Melody Tent in Hyannis to mention a few. Wellfleet, just North of us, has a well operated Drive-In theatre.

The **Audubon Society**, off Route Six, in Wellfleet, offers bird tours and nature hikes and Dune Buggy rides.

**Bicycle Trails**, designed to keep you off the heavily travelled highways, are beginning to be built so that, eventually the entire Cape will be connected. At the present, a well built Bike trail will take you from the Visitor's Center to the Coast Guard Beach area, thru several miles of field and forest. A more complete trail thru Eastham is described on another page.

**INDIAN SUMMER:** We invite you to visit us in the summer, but many, many people prefer

The Red Cedar Swamp Trail approaching the Penniman House, in the Fort Hill area of the National Seashore. In the distance, still unseen, the thunderous beat of the Atlantic surf may be heard . . . as it pounds the fragile dunes of the Outer Beach.

Eastham in the late fall, when we think the Cape is at its best. Little or no traffic, uncrowded beaches, ample restaurant and gift shop facilities . . . and best of all, the weather is ideal . . . and **THE PRICE IS RIGHT.** Most cottage colonies and motels feature reduced rates. Check with them before leaving the Cape in the summer. Plan a return visit . . . when everything, including the **PRICE IS RIGHT.**

## EASTHAM, A SHORT HISTORY

Eastham is one of the four original towns on Cape Cod, and was at one time on an equal basis with Plymouth. There was talk in 1643 of moving the entire Plymouth Colony to Nauset. Huge tracts of land were purchased from the Indians, however the move was not approved. A few of the younger settlers from Plymouth did emigrate to Nauset in 1644, and the town of Eastham was incorporated in 1651. In 1663 the selectmen system of town government was adopted and by 1685 the population had reached 900.

The settlers cleared the trees for farms and homesites. Gradually the wind swept away the black soil and scrub pines, and beach grass replaced the crops. It was so desolate for awhile that a law was passed prohibiting livestock from grazing.

Eastham residents had turned to fishing and saltmaking. (As you clam on the bayside look out for remains of these old saltworks which appear from time to time). The sea industries in turn proved unprofitable, and Eastham went back to working the land with crops of asparagus and turnips. Dairy farming also flourished for awhile. Today, although the dairy herds, the asparagus and most of the turnips have disappeared, Eastham is flourishing again. As the entrance to the Outer Cape, and gateway to the National Seashore, we offer unique and varied summer activities.

We hope you enjoy your stay here.

## EASTHAM PUBLIC LIBRARY

Our Public Library has one of the loveliest locations in town. It is located on Samoset Road just west of the Windmill and overlooking Long Pond. There is a convenient off-street parking area behind the library.

The original building was built in 1897 by the Village Improvement Society (which explains the inscription over the library door) and was given to the town in 1903. During 1976 the Trustees published a short history of the library, written and researched by Helen Schwind. Copies of this history are still available at the library.

Librarian Jane Eldridge will be happy to help you make a selection from among the current books or from our excellent Cape Cod collection. Genealogists will find a wealth of material here, and children, of course, get special attention. Check the local papers for story hour times, Mimsy puppet shows, & Film Programs.

All are welcome to use the library facilities. For Massachusetts residents or Eastham tax-

payers there is no charge; for other visitors, we ask a small fee for a temporary card.

**EASTHAM NON-RESIDENT TAXPAYERS ASSOCIATION, INC.**

**A TRIBUTE TO EASTHAM**

To own property and live in a community is a great privilege. The Eastham Non-Resident Taxpayers Association, Inc., organized in 1954 by a small group, has now grown to over a thousand families. About half of these are MA residents; the other half represents 24 states plus Quebec, Ontario and Washington, D.C. The business we bring to the town is substantial and our influence is apparent. We both cherish and admire this Town where we have our second home and we are working to help maintain its rural and seashore character; to express the consensus of non-voting taxpayers concerning important community matters; and to keep the membership informed of new developments in Eastham and the National Seashore Park.

Dues are \$2.00 a year and all non-resident taxpayers are urged to attend meetings. Selectmen and Department Heads are usually kind enough to attend and are willing to answer our questions.

## DIARY OF A PROFESSIONAL SHOPPER

Tree's Tilery shows probably the largest selection of designer tiles in the USA. From Mexico, England, Holland, Italy, Israel, Japan, Portugal, America. One tile for a trivet, dozens and hundreds for a hearth, a table, a wall panel behind your kitchen range or wood stove. Four kinds of Mexican Terra Cotta in hundreds of patterns. We ship everywhere in the USA and refund in full for tiles purchased as samples, probably the only tile showroom in the USA to do so.

# Please, no tears!

Newcomers sometimes cry when they visit us—they've shopped to the wall elsewhere, and here the Beautiful Things begin! Tree's mind-opening ceramic tile display, probably the largest in the USA, shoulder-to-shoulder with Egyptian papyrus paintings, all the neckwear tartans, a museum shop of jewelry, M.A. Hadley and Quimper ware. And whether a bronze cheese prong (\$2.50) or custom-tiled table (around \$100 on up) nothing is "resort-priced", no gift shoppe stuff. Please, no tears—just visit Tree's first. If you can't make it, will you write for our brochure?
